

Get US number

When you turn your phone on and pick up a network in the United States for the first time using this service, a US number will be automatically sent to you via text message. You can also get an optional US number by:

1. Visiting www.rechargeminutes.com

- Click on “Get number” in the top menu.
- Enter your phone number printed on the SIM card and your 4 digit PIN and click on the “Get US Number” button.

2. Using our self service phone menu. Use a home, hotel, work or payphone (have pen and paper handy!):

- Dial the toll-free number of the country where you are calling from (refer to the User Guide)
- When prompted enter your phone number printed on the SIM card and then press 2.
- Your US Number will be announced over the phone and will also be sent to you via text message.
